CEIBS Admission Test

CEIBS Admission Test

For admission to our Global EMBA Programme, CEIBS accepts scores from Executive Assessment, GMAT, GMAT Focus, GRE, and CEIBS Admission Test. CEIBS Test is an internal admission test planned on specific dates throughout the year for our degree programme applicants.

CEIBS Admission Test is very similar to GMAT Focus in terms of format, number of questions, and difficulty. It's 120 minutes long and has 4 question types, totaling 60 questions in all.

The best way to prepare for CEIBS Test is by using the Prep Tools for GMAT Focus from its official website. Here is one for your reference: <https://www.mba.com/exam-prep/gmat-official-starter-kit>

Please check CEIBS Global EMBA's application portal (gemba.ceibs.edu) for the planned dates of CEIBS Test.

Please see a comparison below between CEIBS Test, GMAT Focus, and Executive Assessment.
